Startup Checklist and Project Plan

Written by Marty Koenig

Hello and thank you for purchasing my Startup Checklist and Project Plan! Don't let things fall through the cracks. You get 196 items in the right sequence, so you can build a successful startup. It doesn't matter if you're starting up in software, gadgets, products....whatever.

I've spent a lot of time preparing this for my clients. They pay me \$1,699 to build one of these just for them. Now you get benefit. Get ready for the incredible detail. It's all in here. I hope you enjoy it.

If you like this, then you'll love the tool where you can customize everything yourself. See this:

I will provide the detailed MS Project plan .mpp, .xls and .xml you can customize for your startup. When you order that, you get my free download "Actions Tracking Sheet" to once and for all get your startup organized. CLICK HERE:

<http://money.cxotogo.com/startupplan>

If you enjoy this roadmap, be sure to check out my other Fiverr Gigs fiverr.com/bizgrowthcoach. Especially my **Kickstarter planning guide** here: <http://bit.ly/La0IQg>. They're all extremely helpful in crowdfunding, startups, entrepreneurship, business funding, technology, and business growth.

Don't forget!

Get your own customizable MS Project 2007 version. You'll love the tool where you can customize everything yourself. See this:

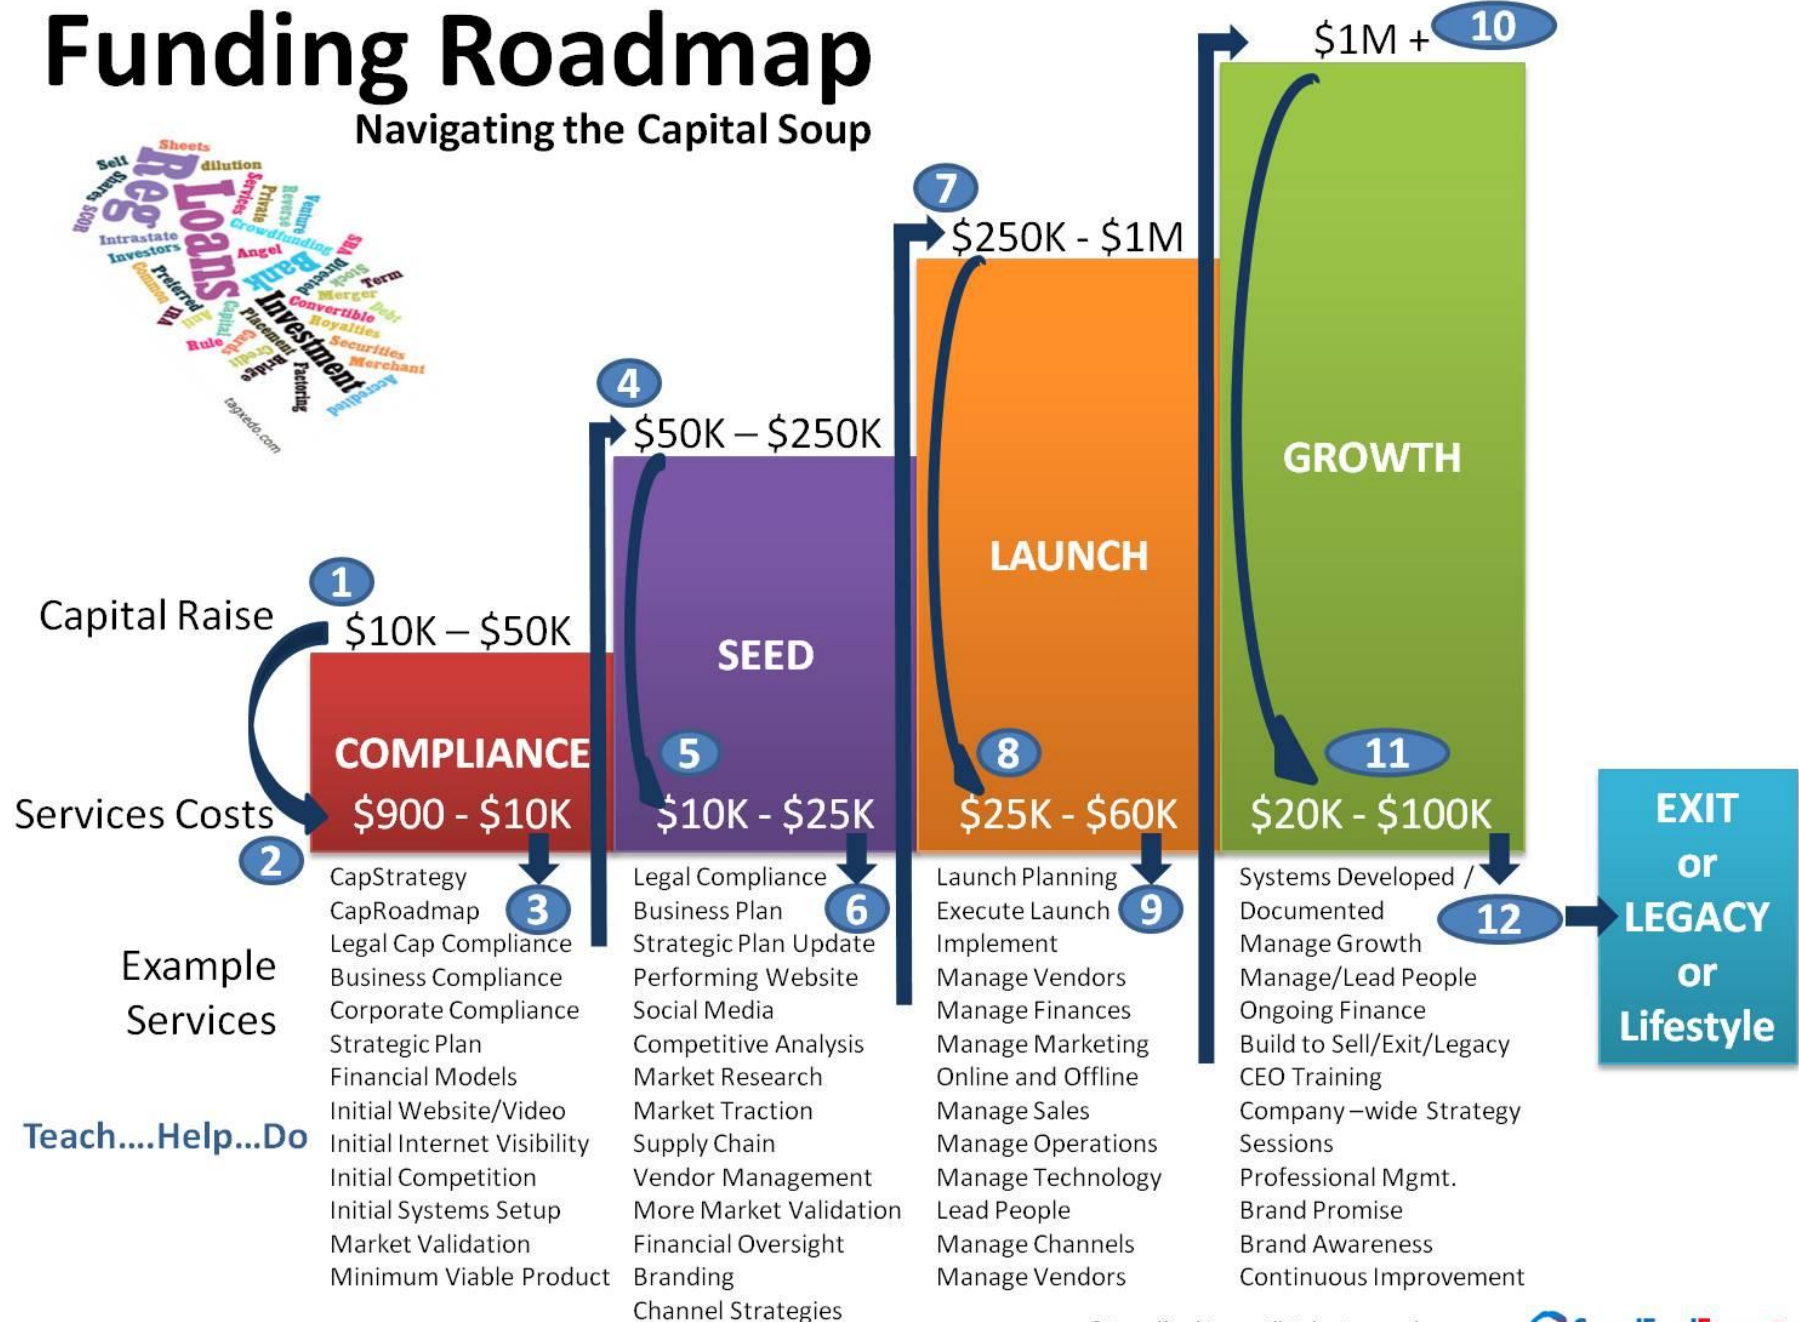

I will provide a detailed MS Project plan .MPP for your startup so you can customize it for your business. I will also include an Excel .XLS version along with a .XML format.

Click here: <http://money.cxotogo.com/startupplan>

So you know, it takes money to raise money. You don't just write a business plan and send it to investors. See my **Funding Roadmap**....next.
